

Template for Email to send to your team prior to the first practice:

Hello Westside Soccer families –

My name is (your name) and I will be the head coach for your child's recreational soccer team this season. Here is the basic information that you need to know to get started.

Our first practice is on (date) at (field name) and after that, practices will be held every (mon/wed) or (tue/thur) at (time) at (field name). We will have a short introductory meeting at the first practice, so parents please come to the field for this meeting at the start of the first practice.

Games will be held every Saturday starting after Labor Day (fall) or Spring break (spring). The game schedule will be published about 2 weeks prior to the start of the season on the thjssl website (www.thjssl.com).

Uniforms are available for purchase at Tursi's soccer supply. Please see the Westside Soccer club website (www.westsidesoccerclub.com) for more info. You can re-use your uniform from last year if it still fits. If you need a new one, please do not wait until the last minute.

Players should bring a soccer ball, shin guards, soccer cleats and water to every practice and game.

The team roster can be viewed at www.teamnet.org. Use the same email and password that you used for the registration process. Teamnet is also used for communication between the coach and families.

If you are willing to help by being an assistant coach, please let me know and go to the [Westside Soccer Club | Coaches Information](#) for instructions on how to sign up.

That's all for now. Looking forward to a great season.
